## Keen for festival atmosphere and great films? Then become part of the DOK.fest festival team 2023!

DOK.fest München is one of the largest documentary film festivals in Europe with a focus on long, creative and international documentary films. We show around 120 films from over 40 countries and host filmmakers from all over the world. In 2023 we will celebrate our 38th festival edition.

As a motivated documentary film and festival enthusiast, you now have the chance to look behind the scenes of DOK.fest München and to actively participate in a dedicated festival team!

We show our film programme at a wide variety of venues in the centre of Munich and since 2020 we have also been coming to your living room as DOK.fest München @home. The events of our industry platform DOK.forum, the educational programme DOK.education and the Africa focus DOK.network Africa also take place during the festival. To make all this happen and guarantee our guests a good time, we need your support!

Become part of the DOK.fest München team and support us in the realisation of the des [38th DOK.fest München](#) from 3 to 21 May 2023 as a volunteer!

As a volunteer (m/f/d) you can help shape the festival and be involved in the following areas:

- Cinema support
- Accreditation
- Ticketing
- Support for our "@home area" – available from home throughout Germany
- DOK.forum industry platform
- Special events (e.g. opening and award ceremonies)

In particular, we need your support on site between 3 and 14 May. Only the support for the @home area requires your active support for another seven days, from 24 April to 21 May. However, this is also possible from home.

We offer:

- The atmosphere of an international festival
- Exclusive insights into the organisation of a major cultural event
- A pleasant working environment in a committed and open team
- A festival pass and the opportunity to watch all films
- A dual film festival that takes place both in the cinema and on the home screen

We expect a friendly manner, reliability and good knowledge of English.
